

YOUTH RENEWAL FUND YOUNG LEADERSHIP COMMUNITY JOIN THE AMBASSADOR CIRCLE

The Ambassador Circle is a dynamic group of young professionals across the US committed to contributing time, energy and activism to enhance Youth Renewal Funds growth and our mission of supporting Darca schools in Israel. Darca is the #1 ranked educational network in Israel operating solely in public high schools in peripheral communities.

The Ambassador circle (AC) is comprised of individuals in their 20s and 30s who work to increase the visibility of Youth Renewal Fund by acting as ambassadors for the organization and help raise critical funds to support Darca schools through fundraising initiatives and events. The AC is led by a Junior Board that works to set the strategic direction of the group.

Membership to the Ambassador circle requires a minimum annual gift of \$2,500. This unique experience allows young leaders to be involved and engaged in the organization across multiple touch points.
